## Come Thou Fount (Key of E)

Robert Robinson

**Intro:** E        B        A  
              E                B  
Come, Thou Fount of every blessing,  
              A                E  
Tune my heart to sing Thy grace;  
E                        B  
Streams of mercy, never ceasing,  
              A                E  
Call for songs of loudest praise.  
              c#m                A  
Teach me some melodious sonnet,  
              c#m                A  
Sung by flaming tongues above.  
              E                B  
Praise the mount, I'm fixed upon it,  
              A  
Mount of God's redeeming love.

Here I raise my Ebenezer;  
Here there by Thy great help I've come;  
And I hope, by Thy good pleasure,  
Safely to arrive at home.  
Jesus sought me when a stranger,  
Wandering from the fold of God;  
He, to rescue me from danger,  
Interposed His precious blood.

O to grace how great a debtor  
Daily I'm constrained to be  
Let that grace now, like a fetter,  
Bind my wandering heart to Thee.  
Prone to wander, Lord, I feel it,  
Prone to leave the God I love;  
Here's my heart, O take and seal it,  
Seal it, seal it for thy courts above
